

Throwback to National Convention

November

Parliamentary Procedures

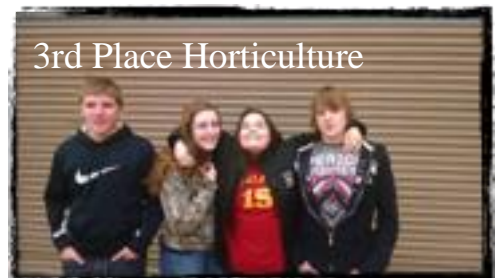

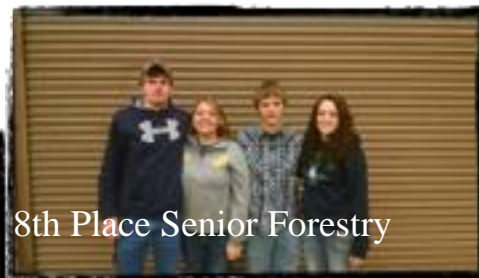

Both Parliamentary Procedures teams received first at district!

The contest was on November 12.

CHEF Contests

December

Our December activities were full of success and fun! We started the month with the Christmas parade. Next, the Novice and Chapter Parliamentary Procedure teams competed at the section level. The Novice team received second place, therefore moving on to the state level. The Novice team included Blayne Vandever, Devin Reynolds, Andy Douglas, Ashley Siegfred, Anna Pilotte, Brent Reynolds, and Mackinley Myers. The Chapter team also received 6th place.

Each year, many of the Chapter FFA members work hard to earn points by taking part in various activities. The Chapter awards a trip to a Purdue Basketball game if he or she has received enough points.

For the annual Christmas Party, there was a gift exchange, lots of games and food. The Christmas Party was held at Wayde Cochran's house. The highlight of the night was when Scherer, Robyn, and Ashley all received fish for their gifts. Thank you to the Kilmer family for providing this spontaneous gift!

Lastly the chapter took part in the annual making of staff gifts for the school. We also want to congratulate Holly Lehe and Vance Pellegrino for doing so well on their essay contest at the district level. Corey Wang and Mitch Michael also competed in a small engines contest. Finally Emily- Kilmer competed in the Job Interview contest at the district level. She received 2nd place in this contest! A huge thanks to those who competed!
